Reasons for Allowance

1. Claims 1-8 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to disclose the combination of a well in a high voltage device recited in the base claim 1. Specifically, the combination of the structure comprising a first well formed in a substrate, the first well having an implant of an opposite conductive type from the substrate; a second well isolated from the first well, the second well having an implant of the same conductive type as the substrate; a field stop implant region formed between the first well and the second well and spaced apart from each of the first well and the second well by a given distance, the field stop implant region having an implant of the same conductive type as the substrate; and a pick-up region disposed above the field stop implant region, the pick-up region having an implant of the same conductive type as the field stop implant region.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
